If the data in the spreadsheet is changed this should be updated in the report! try it out at: `https://docs.google.com/spreadsheet/ccc?key=0AmwAunwURQNsdDNpZzJqTU9OcmpTU0sza2xLTW9fenc#gid=0`

	List of Attendants
1	Adam Smith
2	Mr. Bungle
3	Alexandre Dumas
4	Stevie Wonder
5	Arthur Schopenhauer
6	Ziggy Stardust

Does the above chunk work? You should be able to compile the TeX document and get a PDF file like this one: `https://github.com/gimoya/theBioBucket-Archives/blob/master/R/knitr/knitr_list_of_attendants.pdf`. The Rnw source of this document is at `https://github.com/gimoya/theBioBucket-Archives/blob/master/R/knitr/knitr_list_of_attendants.Rnw`.
